

Bowen QLD

Bowen is a very small harbour with no anchoring allowed so it is advisable to call ahead for a pile or marina mooring. Anchoring outside is ok but involves dinghy travel. The North Queensland Cruising Yacht Club Ph 074786 3490 welcomes visitors but rarely do they have berths available. I had a meal at the club and ordered a steak. It was the largest and most enjoyable I have ever had. Bowen Boat Harbour Ph 074786 1966 might have a pile berth. The shopping centre is comprehensive with reasonable prices. Most repairs and chandlery are available. All facilities for medical, dental and government offices are here. There is a taxi Ph 074786 1335 but the city centre is a walk away. The locals are helpful and friendly. Bowen is a nice place to spend a bit of time.
